Positive Behavior
Supports Corp.

About PBS Corp. |

Positive behavior support is an individualized, research-based process that incorporates the principles of applied behavior analysis (ABA) as well as person and family-centered practices. Our overarching goal is to produce lasting changes in the quality of life of the people we serve. PBS Corp. provides ABA therapy that involves conducting a comprehensive assessment to develop interventions in collaboration with family members, educators, direct services providers, and others caring for the individual. PBS Corp. is proud to unveil the most competitive and unique employee roles ever to be brought to the field of ABA

PBS Corp. Tier System |

As the leader in applied behavior analysis services, we have created a dynamic tier system for analysts to work with PBS in various roles. Where else can salaried analysts receive up to 4 raises per year (one each quarter) AND also receive a bonus that amounts to 10% of their salary over the course of a year?!
