

BOARD CERTIFIED BEHAVIOR ANALYST (BCBA)

Mosaic Pediatric Therapy (MPT) provides high-quality client services to children on the Autism Spectrum Disorder (ASD). We are growing and have opportunities for **BCBAs** in the Charlotte-metro area and Raleigh-Durham-Chapel Hill area. At MPT, **BCBAs** develop appropriate treatment plans and monitor their implementation by the assigned team of Behavior Technicians in a culture that provides work-life balance.

Other duties and responsibilities include:

- Conducting parent training;
- Providing ongoing training to staff members;
- Creating clinical materials necessary for the client's treatment plan;
- Providing supervision to students accruing fieldwork hours in accordance with BACB guidelines; and
- Working collaboratively as a team to ensure quality of service for all clients.

Mosaic provides a competitive salary and offers paid time off and holidays, medical, dental, vision and life insurance, and short-term disability benefits in addition to reimbursement of annual CEU requirements, and a company provided laptop. Excellent organization, problem-solving, and time management skills will contribute to success in this position. Experience using electronic medical record applications (Central Reach preferred) and Microsoft Office and/or equivalent G-suite applications required. Applicants must be able to satisfactorily pass a background check.

If you want to be part of this exciting time at MPT, please apply at www.mosaictherapy.applicantstack.com/x/openings.

Mosaic Pediatric Therapy is an Equal Opportunity Employer
