Great opportunity to join the top team of BCBA's in North Carolina! CCABA is growing and looking for a Clinic Lead- BCBA for our **Fayetteville NC** clinic.

Board Certified Behavior Analysts at CCABA have a passion for improving the lives of children with Autism and their families. They are empowered by science and committed to evidence-based practice. The exemplar BCBA is constantly seeking knowledge and pursuing excellence in Applied Behavior Analysis. They are intelligent, motivated, coachable, eager, and kind. They are solution focused, inclusive of others and ethically bound. They take responsibility for their work, they celebrate the success of others, and are always seeking to improve. The exemplar CCABA Behavior Analyst is looking for a platform to do their life's work--seeking and supporting a culture of collaboration and growth.

Carolina Center for ABA and Autism Treatment (CCABA) is dedicated to improving the lives of individuals with Autism Spectrum Disorder (ASD) and their families. We are committed to providing the highest quality of care by utilizing the empirical science of behavior in order to make data-based decisions to deliver remarkable outcomes and exceed client expectations. We have a strong focus on teaching functional communication and the life skills necessary to lead autonomous, fulfilling lives.

Our team has been providing comprehensive and focused treatment services to clients in North Carolina for over 12 years. We utilize a two-tiered model of service that allows for highly trained Registered Behavior Technicians (RBT) to provide direct services while the Board-Certified Behavior Analyst (BCBA) oversees and manages the clinical programs. Our services include 1:1 direct instruction, group instruction, case supervision, behavior plan programming and implementation, family/care giver training, social group training sessions, direct consultation, group consultation and community seminars.

In addition to adhering to the highest professional standards, CCABA's success comes from our dedication to our team. We are (and continue to be) committed to creating a diverse environment and we are proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status. Diversity is more than a commitment at CCABA- it is the foundation of what we do, adhering to the highest professional standards while creating an environment in which exceptional people (like you!) can think big, have fun, and do good.

Our love of science and our passion for serving special needs populations keeps us motivated for constant improvement and the pursuit of excellence. We recognize that our investment in our clinical team drives our client outcomes and have created a culture of learning, collaboration, and continued growth.

Clinic-based, Home-based, Community-based and School-based services
