

HELP SOLVE THE PUZZLE!

Solving Autism, LLC is currently seeking to add a Board-Certified Behavior Analyst to our rapidly expanding practice in North and South Carolina. Services range from consultative to comprehensive home, community and school support for individuals and their caregivers.

Ideal Candidates will:

- Have current BCBA certificate
- Experience working with individuals with developmental disabilities and behavior challenges
- Be able to conduct various formal assessments (i.e. VB Mapp, The Vineland, etc.)
- Write and implement individualized treatment plans and positive behavior support plans
- Train and supervise Registered Behavior Technicians (RBT's)
- Collect, review and utilize data for treatment decisions
- Provide monthly support to families and caregivers
- Work collaboratively as a member of a team
- Have experience using electronic medical record application (Central Reach)

Solving Autism offers:

- Collaboration with an established team
- Competitive pay
- Medical and dental insurance
- Long and Short-Term Disability
- Life Insurance
- 2 Weeks of Paid Vacation, 5 days of Sick Time/Mental Health Days with vacation time increasing with duration of stay with the company and paid holidays.
- 401(k) with 3% employer match after first year
- Flexibility with scheduling in regard to time of day, location, hours per week
- Ongoing support and training
- Full time and part time opportunities available
- Opportunities for bonuses available based on performance

Interested persons should email resume and cover letter to Alyson Shaffer, M.Ed., BCBA (owner) at solvingautism@gmail.com
