

Sevita

Looking for a job with real impact?

We're **Whole Health Behavioral Solutions**, a member of the Sevita family, and we're hiring a [Behavioral Program Supervisor](#) to help startup and work in our center-based office in Matthews, NC.

If you are looking for a dynamic work environment where no day is ever the same as the last, this role is for you!

If you have:

- Master's Degree in behavior analysis or in mental health, psychology, or human services with a BCBA credential.
- 1-3 years of experience with documented training in behavior intervention techniques required.
- Program Startup experience is a plus!
- Self-motivated and detail-oriented with ability to multi-task.
- Demonstrated skills with motivating team, building rapport, and driving results to meet goals.
- Effective communication skills to manage relationships.
- A reliable, responsible attitude and a compassionate approach.

What we offer:

- Full compensation/benefits package for employees working 30+ hours/week
- 401(k) with company match
- Paid time off and holiday pay
- Rewarding work, impacting the lives of those you serve, working alongside a great team of coworkers
- Enjoy job security with nationwide career development and advancement opportunities
