

## About Us

At ABtA, we strive to positively impact the lives of learners on the Autism Spectrum by unlocking their highest potential and creating significant, meaningful, and life-long changes.

We partner with caregivers to understand their learners by identifying their strengths, interests, and learning styles.

Our highly trained Behavior Analysts and Registered Behavior Technicians use individualized evidenced-based Applied Behavior Analysis (ABA) practices to deliver focused, comprehensive and early intervention services.

## Our Difference

Our leadership team is composed of Board Certified Behavior Analysts with over 40+ years of combined experience in the field of Applied Behavior Analysis, with a multitude of expertise areas, making ABtA a well-rounded, comprehensive ABA organization.

We pride ourselves on clinical collaboration to ensure the most up-to-date and ethical evidence-based practices with an emphasis on **neurodiversity-affirming, assent** and **trauma-assumed care**.

Our core values are evident at all levels of our organization, and every decision that we make is in the best interest of our learners and our team members: **our people are our driving force**.
