

Getting to the Conference & Hotels

Embassy Suites (self-pay parking attached): 460 North Cherry Street, Winston-Salem, NC 27101

Marriott (parking included): 425 North Cherry Street, Winston-Salem, NC 27101

Benton Convention Center (Conference Area): 301 W. 5th Street, Winston-Salem, NC 27101

The conference will occur on the Main Level of the Benton Convention Center in the Winston Ballroom (see the area highlighted in red above). Look for the registration booth at the Main Entrance (see the blue star above) to check in for the event.

You can walk outside of the Marriott or the Embassy Suites to arrive at the Benton Convention Center using the street map on the previous page.

In the case of inclement weather, you can reach the Benton Convention Center while remaining inside. The Marriott connects to the Embassy Suites by way of an over the street walkway and the Embassy Suites connects to the Benton Convention Center by way of an underground tunnel. The underground tunnel will enter the lower floor of the Benton Convention Center, so you will need to get to the main floor to access the conference area.
