

Program Manager: Board Certified Behavior Analyst (BCBA)

Are you dedicated to making a meaningful impact on the lives of individuals with autism and their families? The Unumb Center is seeking a passionate Program Manager (BCBA/BCaBA) to join our esteemed ABA program. Nestled in the heart of South Carolina, Columbia offers an ideal backdrop for professionals seeking both a fulfilling career and a vibrant lifestyle.

The Unumb Center is a leader in providing inter-disciplinary, evidence-based services for individuals with autism. As a non-profit, we are committed to doing the best for each individual client, not simply maximizing billing.

As a Program Manager, you will work closely with our inter-disciplinary team of Behavior Analysts and psychologists to serve individuals with autism in our ABA department (ages 2-22) as they make meaningful progress on their goals.

Salary for this position ranges from \$55,000 to \$85,000 based on experience and years of certification.

Responsibilities:

- Collaborate with inter-disciplinary team of Behavior Analysts and psychologists.
- Serve individuals with autism aged 2-22 in our ABA department.
- Provide 22 billable hours of service per week in the clinic.
- Conduct direct and indirect assessments and develop treatment plans.
- Create and supervise the implementation of effective programs.
- Regularly meet with clients' caregivers in the clinic.

THE UNUMB DIFFERENCE

To support you in these goals, The Unumb Center provides a full administrative team, including staff dedicated to client scheduling, submitting authorization requests, and communicating with insurance, and billing. We have developed a customized workflow management system to ensure accountability and smooth employee communication. We have also worked with experts in OBM to develop a pipeline system that offers systematic opportunities for growth for both behavior techni-
